APMG Certified PPP Professional® – Foundation

Building APMG Certified PPP Professionals to tackle infrastructure challenges®

*Overview

The Foundation level course and certification is step 1 of the APMG PPP Certification Program® which aims to foster a common minimum level of knowledge and understanding amongst individuals working on PPPs or those interested in learning about PPPs, regardless of discipline or sector. APMG awards the CP3P® credential to individuals who successfully pass the three examinations: (1) Foundation and Overview Stage, (2) Preparation Stage, and (3) Execution Stage.

The APMG PPP Certification Program® is recognized by leading development agencies, such as the World Bank, the Asian Development Bank, the European Bank for Reconstruction and Development, and others.

The lectures will be taught over a one week period with live 4-hour on-line sessions held Monday thru Friday Upon completion of the training program, the IRF will administer the APMG CP3P® Foundation exam. Participants with a score of 50% of the exam will be awarded with a certificate confirming their attainment of the APMG CP3P® Foundation Level Certification.

Why Online?

- Receive a world recognized PPP Certification
- Expert training by Professionals for Professionals: developed by active world-class practitioners
- Small classroom & scheduled One-on One sessions between with experienced instructors
