Certified PPP Professional (CP3P) Foundation Course

July 11 –15, 2022

Online Workshop

Background

The Foundation level course and certification is step 1 of the APMG PPP Certification Program which aims to foster a common minimum level of knowledge and understanding amongst individuals working on PPPs or those interested in learning about PPPs, regardless of discipline or sector. APMG awards the CP3P credential to individuals who successfully pass the three examinations: (1) Foundation and Overview Stage, (2) Preparation Stage, and (3) Execution Stage. APMG's PPP Certification is recognized by leading development agencies, such as the World Bank, the Asian Development Bank, the European Bank for Reconstruction and Development, and others.

The lectures will be taught over a one week period with live 4-hour on-line sessions held Monday thru Friday Upon completion of the training program, the IRF will administer the APMG CP3P Foundation exam. Participants with a score of 50% of the exam will be awarded with a certificate confirming their attainment of the APMG CP3P Foundation Level Certification. It is a great way to verify your knowledge and help your organization and career
